PROFILE

Motivated student with practical experience in tech projects and collaborative coursework. Demonstrated ability to analyze problems, develop solutions, and work effectively with teams on technical tasks.

EDUCATION

CMR UNIVERSITY
Master of Computer Application
2022-2024
CGPA: 8.4

C. ABDUL HAKEEM COLLEGE
Bachelor of Computer Application
2018-2021
CGPA: 7.53

SKILLS

PROGRAMMING
C, Python, HTML,CSS, JavaScript
Java (core), React.js (Basic)

WEB DEV
Node.js, Spring Boot, REST APIs

DATABASES
MySQL, MongoDB

TOOLS
Postman, Hibernate, Git

LANGUAGES
Tamil, Hindi, Urdu, English

CERTIFICATIONS

Java (Basic)
HackerRank

Python
GUVI

Web Development
Udemy

CMRU Hackathon Participation
CMR University

Python by Google
Credential ID: 6K1V569p1l5D336au8 | Google

SQL (Intermediate)
Credential ID: 43B191C26F44 | HackerRank

EXPERIENCE

MAIORA IT SOLUTIONS | Java Backend Developer Intern
Bangalore, India | Dec 2023 – Feb 2024

- Contributed to the development team using Spring Boot and MySQL.
- Designed and implemented RESTful APIs for customer, order, and product management.
